ESTIMATE OF DAMAGES

Please provide estimates of the following (attach more pages if extra space required):

What damage have you suffered as a consequence of Kalbar’s alleged misconduct? This can include physical, psychological and monetary damage.

Are you able to obtain a financial statement prepared by your accountant, or yourself, which will indicate the losses mentioned above?

Have you had to inject funds into your business which has suffered as a consequence of Kalbar’s actions?

Have you had to implement changes to your business as result of Kalbar’s actions?

Have you sought assistance from a psychiatrist or psychologist for your emotional trauma? If so, please obtain a report from him or her as a matter of priority. If not, we respectfully suggest that you do consult a psychiatrist and/or psychologist if you have suffered psychological trauma.

Additional and future costs of recouping loss to business. That is, what costs, if any, might the business incur to regain lost business and/or clientele?

Loss of proprietor remuneration. This may be in the form of reduced wages, or proprietors having to work for longer hours with no increased remuneration.

Loss in the value of the business. This might be loss in goodwill and/or entity value.

If your livelihood has been affected in other ways, please estimate the future financial loss your company may suffer.
